

Dear Semester at SDSU Student –

Greetings from SDSU. We are happy that you have joined us, and are looking forward to a great semester.

A reminder for you about how to find your classes:

You can view your class enrollment by going to [ces.sdsu.edu](https://ces.sdsu.edu), logging into Open U, and clicking on “Manage Open University Courses.” However, this view does not show you when and where classes meet.

To see when and where classes meet, you’ll need to look at the SDSU Class Schedule.

When you look at “Manage Open University Courses,” you’ll see something that looks like this:
